

## COPPER COAST COUNCIL

# Register of Fees and Charges Version 6

# 2018/2019

## **Copper Coast Council Fees and Charges 2018-2019**

This Register of Fees and Charges is to apply for services from the Copper Coast Council, for the financial year 1st July 2018 to 30th June 2019, in accordance with section 188 of the Local Government Act 1999.

The Register of Fees and Charges details user charges set by Council and the statutory charges set by the State Government Regulations. These statutory charges are current charges that may be revised and amended during the financial year.

### **Hall Hire**

A 50% discount is available to residents & ratepayers that do not meet the definition of a Community Group and a 75% discount is available to community groups who book halls for activities that are of community benefit. The definition of a Community Group for the purpose of the fees & charges schedule is "A non-profit organisation or association of persons (not a government department) with the primary aim of working to provide services and benefits to the community. A community group may take part in profit-making activities, but the surplus is reinvested in pursuit of the group's goals, and Membership or participation in activities is available to everyone who wishes to join in. Community groups may be special interest or advocacy groups for particular sections of the community or campaign on specific issues, like the environment. But community groups do not impose restrictions such as requiring new members to be recommended by existing members, or setting fees that, effectively, exclude most people who might want to participate."

In summary a Community Group meets the following criteria;

A) The community group must be not for profit and not a government department, and

B) Meet at least one of the following purposes

- the activity will benefit the wider community and not just members of the group
- the activity is carried out by volunteers and provides a service to the community
- the booking is for neighbourhood or special interest groups to meet but is not a social function (eg weddings, reunions, birthdays, etc)
- fundraising for community benefit or for own community group
- the activity commemorates a significant cultural, national or civic event or anniversary

The Copper Coast Council adopted this Register of Fees and Charges at the Council Meeting on 2nd May 2018 (C85:0518).

Amendments have been made on 6th June 2018 (C98:0618) and 4th July 2018 (C127:0718)

The Goods and Services Tax is identified as GST where applicable.

Peter Harder  
Chief Executive Officer
